

EXECUTIVE BIOGRAPHY

Elliott Champion

Elliott Champion is the global product director for Brand Protection at **CSC** in our DBS headquarters where he is responsible for our industry leading proprietary technology and product strategy. He is also involved in building client-specific strategies, including optimizing a brand's online presence, and protecting and evolving CSC Brand Protection services.

Prior to his current role, Elliott advised European customers, building brand strategies, and worked as an enforcement analyst from his hometown of Cambridge in the U.K.
